Dear Parent/Carer and Student

## **Year 7 Pre-Public Examinations**

I am writing to inform you of the upcoming assessments in all subjects. All Year 7 students sit assessments in their subjects during this time of the year to help us to find, and improve upon, their weaker areas of knowledge.

To ensure that your child is ready for these assessments, they will have been preparing in class and will have been set revision homework on Show My Homework.

To help your child prepare fully for their assessment, I have added a revision planner to the back of this letter. It would be useful if you could sit down with your child and help them to plan out their revision.

It is important that your child has a quiet place to study and complete their work, as well as sticking to their revision timetable.

Please take the time to talk through how exams are going as it can be a stressful time for them. Please make sure that as well as working they have time for some fresh air and have good sleeping habits.

Rehearsing this in Y7 will lead to more success in their GCSEs.

To plan revision for the week, please find the exams occurring in each week below and check Show My Homework for the exact dates:

Mr A Barnes
